

# Business Growth

---

01

## executive summary

For the next few months, we will be using a new method of collecting grades.

## Product & Services

Our newest product will be released in the next week and has been marketed to several places.

02

03

## Marketing Planing

We will advertise the product through several digital media that are easy for many people to see.

## sales planning

Sales will be made online or can be purchased directly at the store we distribute to.
